General Membership Information

- AMA membership is required for membership in SASS. You can join AMA at: http://www.modelaircraft.org
- Membership fees cover the primary member, spouse, and their immediate family dependents (see Dues Structure below).
- Membership runs on a calendar-year basis.
- Members wishing to fly at Carnation Farms must submit the background check form to Carnation Farms along with a separate $30 fee. This is not a requirement for membership, only for access to Carnation Farms. The background check is good for two years; you must resubmit the form and payment when it expires.

SASS Forms

Please fill out the membership information on the next page.
Please read the flying site rules, sign and date the last page, and include it (just the last page) with your membership application.

Background Check

If you plan to fly at Carnation Farms, fill out and sign the background check form. Send the form and the fee to Carnation Farms at the address specified.

Payment Options

- Pay by check. This is preferred as it saves us PayPal fees. Make checks payable to SASS.
- Use the PayPal button on the Join SASS / New Member page on the SASS website.

Send SASS forms and checks to:

Bill Tsang, SASS Treasurer
